## lady bears hustle to win

A season full of challenges and trials never kept the Lady Bears from playing as champions. Their record in the MACJC was extraordinary. The team demonstrated incredible momentum and unity in their win against the Meridian Community College Eagles with a final score of 60-47. The girls displayed a remarkably high sense of teamwork that they never let falter throughout the year. The Lady Bears claimed victory in big games and special events such as another win against Hinds Community College Eagles with a final score of 73-64. They defeated Mississippi Delta Community College Trojans 69-64 and followed up with another immediate win of 78-75 against the Baton Rouge Community College Bears. The Lady Bears closed out the annual Coca-Cola Classic with ease as they defeated Baton Rouge Community College Bears 60-41.

Proof of their success this year on the basket court was presented in the Lady Bears ranking in the South Division on the MACJC. The team consisted of an equal number of freshmen and sophomores who made themselves unforgettable in the world of sports. The women’s basketball team was coached by head coach Brent Harris and assistant coach Britta Stevens.

"We were very proud of our defensive effort," stated Lady Bears Head Coach Brent Harris. "We're still not where we want to be, but hopefully we took a step in the right direction tonight."
